Downloading Class Videos Using Opencast

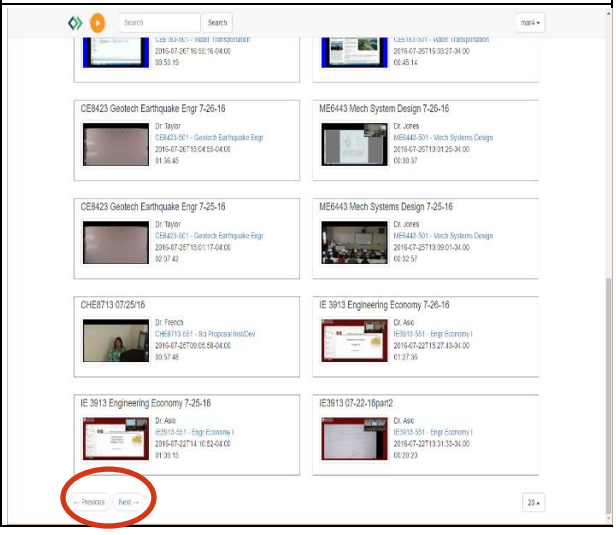

Step 1

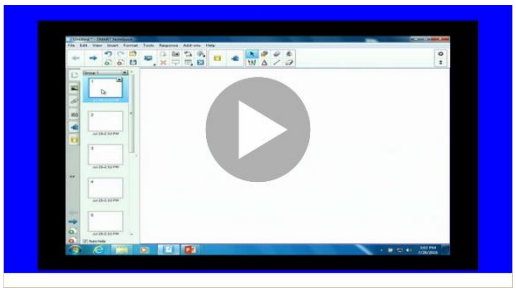

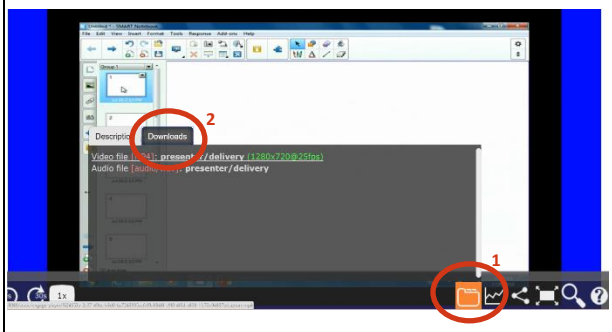

1) Navigate to the following URL: http://oc-engage.engr.msstate.edu/paella/ui/index.html
2) Fill in your NetID and NetPassword.
3) Click **LOGIN**.

Step 2

1) The page displayed will contain a list of videos that can be accessed. If the list is too long for one page, the **Previous** and **Next** buttons at the bottom of the page can be used for navigation.

Step 3 1) Click on the video to be viewed or downloaded in order to select it. ***Note**: Do not click on the title of the video, but the video itself.	
Step 4 1) The video will now be displayed. 2) To start watching the video, click the play button.	
Step 5 1) To download the video, scroll to the bottom of the screen, click the folder icon (Extended Tab Adapter). 2) Next, click the Downloads tab, right-click the desired format and choose Save Link As. **You will need to download presenter and presentation videos.
